

Capital Asset Projects

- The Order will apply immediately to EM's 23 OECM Projects
- Will apply to Capital Asset Project (CAP) List now being developed with the HQ Programs
 - OD's will soon have CAP Definition/Criteria
 - Oak Ridge Pilot will soon be completed and will be provided to Site Office Directors
 - Target date for CAP completion is November 15, 2000
- In general, CAPs include work considered as, or work analogous to, "Design and Build" (including certain environmental remediation work/D&D)
